

Required Documentation for the TSA Pre✓™ Application Program

U.S. Citizens and Lawful Permanent Residents

You must provide an original or certified copy* of identity and citizenship status documentation during enrollment to include one document from List A or two documents from List B. The document(s) provided must include a valid photo ID and valid proof of citizenship/immigration status. The names on your documents **must match exactly** with the name you use on your application and when traveling.

If you have legally changed your name, you must provide an original or certified name change document (such as marriage certificates or divorce decrees) in addition to the required documentation from List A or List B. For example, if you present a U.S. birth certificate with your maiden name and a driver's license with your married name, you must also provide a marriage certificate that shows the link between the names on the birth certificate and the driver's license.

If you have any of the documents from **List A** below, please provide one of these documents during enrollment. If you do **not** have a document from **List A**, please see below for **List B** documents.

List A

One document is acceptable from the following forms of identification:

- Unexpired U.S. Passport (book or card) – demonstrates U.S. Citizenship
- Unexpired Enhanced Tribal Card (ETC) – demonstrates U.S. Citizenship
- Unexpired Merchant Mariner Document (MMD) – designates U.S. Citizenship
- Unexpired Free and Secure Trade (FAST) Card – designates U.S. Citizenship
- Unexpired U.S. Enhanced Driver's License (EDL) or Unexpired Enhanced Identification Card (EID) – designates U.S. Citizenship
- Permanent Resident Card (I-551) often referred to as a "Green Card" – demonstrates LPR status
- Unexpired Foreign Passport AND immigrant visa with I-551 annotation of "Upon Endorsement Serves as Temporary I-551 Evidencing Permanent Residence of 1 Year" – demonstrates LPR status
- Unexpired Re-entry Permit (I-327) – demonstrates LPR status

At least two **List B** documents are required if you do not have a document from List A. The documents must include 1) a valid photo ID, and 2) a document that meets citizenship requirements. For example, the combination of a driver's license and a U.S. Social Security card contains a photo ID but does not demonstrate citizenship status and is not a valid combination. However, the combination of a valid driver's license and U.S. birth certificate would meet the document requirements for enrollment.
